Abstract

The objectives of this research were 1) to study management and improvement of the project on legal knowledge dissemination and assistance for people in the rural areas of Regional office of State Attorney, Region 4 and 2) to investigate guidelines for such improvement more Effectively. The population for this research consisted of 39 personnel who were involved with the implementation of such project. The tool for the study was a questionnaire and a detailed interview created by the researcher for data collection. Then, data analysis was statistically carried out through the SPSS for WINDOWS program for frequency, percentage, mean and standard deviation.

The results of the study:

1) Activities implemented in previous projects: those with the most implementation were found to be legal knowledge dissemination and training for such purpose. The most implemented activity corresponding to the areas was Mobile Sor-Khor-Chor , while the most successfully implemented activity was Mobile Sor-Khor-Chor .

2) Management in each of all 6 aspects of the project implementation was moderately found overall , but when considered individually, the management of all these 6 aspects was also moderately found : the highest mean of this implementation was legal training , followed by legal knowledge dissemination , assistance in legal proceedings , assistance in suings , organizing of Mobile Sor-Khor-Chor , and conflict compromise , respectively. As for project management of each of all 4 aspects, it was also moderately found overall, but when considered individually, the management of all these 3 aspects was moderately found: the organization with the highest mean , followed by the coordination, and the planning , respectively, while the personnel management was at a low level .

3) Suggestions for project improvement on legal knowledge dissemination and assistance: the biggest need for such improvement is assistance in suings , followed by legal knowledge dissemination, assistance in legal proceedings, assistance in conflict compromise, legal training and management of Mobile Sor-Khor-Chor respectively.
