ASSO. PROF. VERAPONG BOONYOBHAS, 150 PP. ISBN 974-579-623-9

There are two kinds of rights, the right relate person and the right relate properties. There are two kinds of rights relate properties, real rights and personal rights.

Defense of Thai Penal Code Section 68 is an act to defend rights. The rights of Positive Law are personal benifits which accepted and protected by law, and are particular Private Rights which person can defend. The judgment accept that the right of life, body, reputation and properties are defensive legal rights.

When defensive legal rights of Thai Penal Code Section 68 are private rights. So that the limit of defensive legal rights expand from defensive rights which the court accept, and one act, person can defend more than one rights. But if there are personal rights, Thai Penal Code Section 68, person can not defend personal rights. They must protect personal rights by making a request to the court.

Because of defensive legal rights of Thai Penal Code Section 68 are particular private rights, person can not defend when other person violate the law which protect the public.
