CURRICULUM VITAE

NAME	Mr. Nattapon Srisittipokakun
DATE OF BIRTH	April 20, 1981
EDUCATIONAL RECORD	
High school	Wat Nualnoradis School, Bangkok, 1999
Bachelor's Degree	Bachelor of Science (Physics), Silpakorn University, Bangkok, 2003
Master's Degree	Master of Science (Physics), Silpakorn University, Bangkok, 2006
Doctoral Degree	Doctor of Philosophy (Physics), King Mongkut's University of Technology Thonburi, Bangkok, 2011

SCHOLARSHIP

2009-2011 Scholarship	Thailand Center of Excellence in Physics
--------------------------	--

EMPLOYMENT RECORD

2006-2009	Lecturer, Faculty of science, Siam University, Bangkok.

Agreement on Intellectual Property Rights Transfer for Postgraduate Students

Date... 10 November 2011...

Name..... Nattapon..... Middle Name..... -
Surname/Family Name..... Sri Sittipokakun.....
Student Number... 52.500402..... who is a student of King's Mongkut's University of
Technology Thonburi (KMUTT) in Graduate Diploma Master Degree
 Doctoral Degree
Program..... Physics..... Field of Study..... Physics.....
Faculty/School..... Science.....
Home Address 14/2 Wuttagard Road, Taladpoak, Thonburi, Bangkok
Postal Code..... 10600..... Country..... Thailand.....

I, as 'Transferer', hereby transfer the ownership of my thesis copyright to King's
Mongkut's University of Technology Thonburi who has appointed (Dean's name)
Asst. Prof. Woranut Koetsinchai Dean of Faculty of..... Science..... to be
'Transferee' of copyright ownership under the 'Agreement' as follows.

1. I am the author of the thesis entitled..... Preparation and characterization
of MnO₂ doped in soda lime silicate glass system.....
under the supervision of..... Prof. Dr. Pichet Limsuwon.....
who is my supervisor, and/or..... Dr. Jakkrapong Kaewkhae.....
who is/are my co-supervisor(s), in accordance with the Thai Copyright Act B.E. 2537. The thesis
is a part of the curriculum of KMUTT.

2. I hereby transfer the copyright ownership of all my works in the thesis to KMUTT
throughout the copyright protection period in accordance with the Thai Copyright Act B.E. 2537,
effective on the approval date of thesis proposal consented by KMUTT.

3. To have the thesis distributed in any form of media, I shall in each and every case
stipulate the thesis as the work of KMUTT.

4. For my own distribution of thesis or the reproduction, adjustment, or distribution of
thesis by the third party in accordance with the Thai Copyright Act B.E. 2537 with remuneration
in return, I am subject to obtain a prior written permission from KMUTT.

5. To use any information from my thesis to make an invention or create any intellectual
property works within ten (10) years from the date of signing this Agreement, I am subject to
obtain prior written permission from KMUTT, and KMUTT is entitled to have intellectual property
rights on such inventions or intellectual property works, including entitling to take royalty from
licensing together with the distribution of any benefit deriving partly or wholly from the works in

the future, conforming with the Regulation of King Mongkut's Institute of Technology Thonburi
Re the Administration of Benefits deriving from Intellectual Property B.E. 2538.

6. If the benefits arise from my thesis or my intellectual property works owned by
KMUTT, I shall be entitled to gain the benefits according to the allocation rate stated in the
Regulation of King Mongkut's Institute of Technology Thonburi Re the Administration of Benefits
deriving from Intellectual Property B.E. 2538.
