The thesis study on organization who authorized to issue Halal certification according to Islamic Organization Administration Act B.E. 2540 . Study issue is can the Shekul Islam, president of Islamic board and Islamic board of Thailand according to Islamic organization Administration Act B. E. 2540, issues the certificate ? Which organization authorizes to issued the certificate as the law ?

The result of study

1. The Shaikul Islam as the president of Islamic Board of Thailand authorizes to sign on certificate and does not authorize to considerate and examine products or entrepreneurs who apply for the certificate. He authorizes to announce the Islamic judgement persuaded to article 8 (4) that is whenever there are conflicts of Islamic principle meaning, the Shaikul Islam has announced the judgement or explanation of
- Islamic principle

2. According to The Islamic Law, it determines Islamic board as juristic person is divided to difference parts. One part is responsible for halal certificate by examining, considering application related Islamic certificates, persuaded to article 18 (9), based on Islamic principle and judgement of the Shaikul Islam.

In conclusion, The Authority of Halal certificate registration is actually performed by Islamic Committee of Thailand, persuade to article 18 (9) of Islamic Administration Act. B.E. 2540, Which also play role in controlling and performing the Islamic affairs.

3. The Act accompanies Law force and can be4 efficiently success. It focuses on main substances as follows:

Education is principle base for human being development. Education institutes both religion and general have been founded and settled in Muslim habitation provinces.

Islamic organization as juridical person has management and controls tarns organization in each level

Establishment of committee term in each level effects on improvement of Islamic organization image.
