This study is basically conducted by a documentary research method. The analysis is based on officially - concerned documents, as well as academic journals and relevant research works. The purposes of this study are as follows :

- (1) To study the performance of the police officers of the 4th Metropolitan Police Bureau ;
- (2) To find out the problems and obstacles resulted from the above-mentioned performance;
- (3) To prescribe guidelines that help improving the effectiveness of the Metropolitan Police Bureau's performance.

The research findings reveal that problems and obstacles of the performance of the 4th Metropolitan Police Bureau are related mainly with traffic engineerings, legal enforcements, the Metropolitan Police Bureau organization itself, budget allocation and public cooperation, accordingly.
