

C670257 : MAJOR LAWS

KEY WORD ECONOMIC CRIME \ ENFORCING LAW

JAKKARATTANA SRIKOMUT Pol. Lt. Col. : ECONOMIC CRIME : A CASE STUDY OF OBSTACLE IN LAW ENFORCEMENT : THESIS ADVISOR : ASSOC. PROF. VIRAPHONG BOONYOBHAS. 125 pp. ISBN 974 - 635 - 636 - 3

Criminal Justice Administration consists of police, public prosecutor, court and correction which are law enforcement agencies. As the matter of fact the development of crime now-a-day depends on technology of society, criminals who have high social status and also wealthy usually get this chance committing Economic Crime, a crime that causes tremendous damages to society and nation. Even law enforcement agencies try to suppress this crime but cannot achieve in doing so. It can be said that the obstacle in enforcing law this crime come from status and influence of the criminals. The result getting from research shows that gab of law and undevelop procedural are the main causes of obstacle.

The suggestion from this thesis focus on improving both substantive and procedural law in order to succeed in enforcing law against this kind of crime.
