EVALUATION / TRAINING / CURRICULUM

TEMCHIT CHANTAKA : AN EVALUATION OF THE DISTRICT EDUCATIO
SUPERINTENDENT TRAINING CURRICULUM OF THE INSTITUTE FOR DEV
OF EDUCATIONAL ADMINISTRATORS, OFFICE OF THE PERMANENT SECR
FOR EDUCATION, MINISTRY OF EDUCATION. THESIS ADVISOR : ASSO
SURAKUL JANOBROM, Ed.D. and ASSOC PROF. YAVADEE VIBULSRI, P
129 PP. ISBN 974-634-805-1

The purpose of the study was to evaluate the training
curriculum of the District Edcational Superintendent of the Institu
for Development of Educational Administrators, Office of the Perman
Secretary for education, Ministry of Education. Using the Welch Mod
The research population were 178 subjects, consisted of 160 trainee
9 training coaches and 9 course directors who were participated in
training curriculum of the District Educational Superintendent in 1
The instruments for data gathering were opinion checklist, document
analysis form, and interview form. The data were then analyzed for
frequency, percentage, mean and standard deviation.

Finding. It was found that there was a congruence between
the goal of the training curriculum of the Institute for developmen
of Educational Administrators and the policy in the development of
educational administrators according to the seventh educational
development plan.

According to the opinion of trainees, training coaches and
course directors it was found that curriculum goal, curriculum
construction, curriculum content, facilitators, training activities
and assessment and evaluation were suitable at the level of much.
