

C786155 : MAJOR NURSING EDUCATION

KEY WORD: SELF LEARNING PACKAGE / NURSING PROCESS / THE FIRST YEAR NURSING STUDENTS / DIPLOMA IN NURSING SCIENCE (EQUIVALENT TO BACHELOR DEGREE)

SAKAWDUAN MONGKONSUKONTHARUK : A DEVELOPMENT OF SELF LEARNING PACKAGE ON NURSING PROCESS FOR THE FIRST YEAR NURSING STUDENTS, DIPLOMA PROGRAM IN NURSING SCIENCE (EQUIVALENT TO BACHELOR DEGREE). THESIS ADVISOR : ASSO. PROF PRANOM OTHAGANONT, Ed.D. 204 pp. ISBN 974 - 635 - 076 - 5

The purpose of this research was to develop the self learning package on nursing process for the first year nursing students, Diploma Program in Nursing Science (Equivalent to Bachelor Degree).

The research subjects consisted of 44 first year nursing students, Bhoromrajgonni Nursing college, Udonthani, under the Jurisdiction of the Phrabhoromrajjanok Institution, the ministry of Public Health, The research instrument was the multiple choice test and essay type test with reliability of .84 and .64 respectively.

The experiment revealed that the efficiency of self learning package were 91.00/ 86.36 which met the standard criteria of 85/85. There was a significant difference of arithmetic mean between pre and post test at .05. The post test scores was higher than pre test. This evidence showed that the constructed self learning package can be used effectively on teaching of nursing process.
