The purposes of this research were to study the state and problems of teaching profession development operation of the Provincial Khurusapha Committee. The samples consisted of the Provincial Khurusapha Director and the Provincial Khurusapha Committee. The instruments utilized for data collection were questionnaires. Data were analysed by using frequency distribution and percentage.

Research findings were that most of the Provincial Khurusapha Committee didn't set the policy on the operation of profession development specifically. Most of them ran that work on 5 categories by coordinating publicizing and operating the Khurusapha required activities as the followings : -

1. Teaching Profession Standard : Most of the Provincial Khurusapha Committee were responsible for the criteria of the teaching profession standard , teachers' Code of ethics, research and research supplementary for teaching profession development , praise worthy for the outstanding teachers , conference and seminar on academic knowledge and teaching profession , teachers' organization relations and Teachers' Day activities within the province. Most problems were the shortage of budget and related personnel in operation. The work concerned the control and promotion of teachers behaving to the Code of ethics. Most of the praise worthy for the outstanding teachers and Teachers' Day activities couldn't find the the problems.

2. Academic Promotion : Most of the Provincial Khurusapha Committee arranged the training-course for teaching profession and promotion of teacher civil services including with a study and study-tour as well as academic resource services. Most problems were the shortage of budget and venue in operation.

3. Welfare Schemes : Most of the Provincial Khurusapha Committee provided the schemes of cremation for members and the legal spouses of members , accomodation , house-hold appliances , health-care promotion contribution in the form of fund and foundation. Most of the mentioned found no problems except the service of the fund and foundaion due to the stor tage of budget. The work that most of the Provincial Khurusapha Committee didn't run , were the promotion of savings , ceremony for group-marriage and cooperative-store establishment.

4. Other services : Most of the Provincial Khurusapha Committee assisted the members' grievances and publicized the work of Khursapha. However , the founded problem was the shortage of budget in operation.

5. Legal protection in teaching profession : Most of the Provincial Khurusapha Committee provided attorney for members in court and counsellor for members in legal cases. Furthermore , it must be responsible for the work of member identification card. The most problems of operation was the shortage of budget.
