YOTHIN PUAKPONG : OPINIONS CONCERNING LEARNING ART EDUCATION CORE

COURSES ACCORDING TO LOWER SECONDARY EDUCATION CURRICULUM B.E.2521

(REVISED EDITION B.E.2533) OF STUDENTS IN THE SECONDARY SCHOOLS

UNDER THE JURISDICTION OF THE DEPARTMENT OF GENERAL EDUCATION,

EDUCATIONAL REGION ELEVEN. THESIS ADVISOR : SULUK SRIBURI, Ph.D.

164 pp., ISBN 974-636-038-8

The purpose of this study was to study the opinions concerning learning art education core courses according to lower secondary education curriculum B.E.2521 (Revised Edition B.E.2533) of students in the secondary schools under the jurisdiction of the Department of General Education, educational region eleven in the areas of :- objectives, subject matter, activities and evaluation in the visual art course.

The instrument of this research was questionnaire. The sample of this study was 2,475 students from 33 lower secondary schools under the jurisdiction of the Department of General Education, educational region eleven. The obtainable data were analyzed by terms of percentage, means and standard deviations.

The findings were found that the opinions of students concerning learning art education core courses according to lower secondary education curriculum B.E.2521 (Revised Edition B.E.2533) were at level of agreement in these areas:(1) objectives (2) subject matter (3) activities, and (4) evaluation.

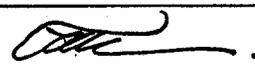

In the open-ended form of questionnaire the essential suggestions of students can be concluded as following: (1) objectives of the visual art course should be adapted to be more interesting and update (2) subject matter should be put special emphasis on art composition and Thai typical characteristics (3) the period of time for art activity performance should be extended (4) more art activity performance should be emphasized than art theory (5) evaluation should be emphasized on art activity performance.
