PADUNGSIT SAMART : NEEDS FOR SERVICES CONCERNING PHYSICAL EXERCISE OF POLICE OFFICERS UNDER THE JURISDICTION OF POLICE BUREAU.

THESIS ADVISOR : ASSIST. PROF. CHAROON MEESIN, Ed.D. 277 pp. ISBN 974-636-710-2.

This study assessed the need for services concerning physical exercise of police officers under the Jurisdiction of Metropolitan Police Bureau, and to compare the need for services concerning physical exercise between police commissioned and non-commissioned officers and among five police departments ; administrative, investigation, detective, crime control and traffic . Five hundred subjects were randomly selected by the multistage random sampling method. Four hundred and fifty five questionnaires, or 91.00 percent, were returned. The data were analyzed in terms of percentages and standard deviations. The t-value, one-way analysis of variance, and the Scheffe method were also applied to determine the significantly different at the .05 level.

It was found that :

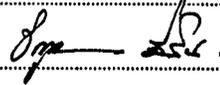

1. Need for services concerning physical exercise of police to organise different types of activities, equipment location and facilities, service personal, the physical competence test, academic subject and physical exercise management, physical service activities and the duration of physical exercise were at the high level.
2. Need for services concerning physical exercise of police commissioned officers and non-commissioned officers was not significantly different at the .05 level except in types of management exercise which were significantly different at the .05 level.
3. Need for services concerning physical exercise of police in five departments ; administrative, investigation, detective, crime control and traffic section were not significantly different at the .05 level except in the period of time during the day which was significantly different at .05 the level.
