CURRICULUM VITAE

NAME Miss Keerati Kirdsiri

DATE OF BIRTH January 27, 1980

ACADEMIC BACKGROUND

BACHELOR'S DEGREE Bachelor of Science (Physics)
Silpakorn University, Bangkok, 2002

MASTER'S DEGREE Master of Science (Physics)
Silpakorn University, Bangkok, 2006

DOCTORAL DEGREE Doctor of Philosophy (Physics)
King Mongkut's University of Technology Thonburi,
Bangkok, 2011

HONOR AND AWARD

1. The 3rd Awards of CD-ROM Competition in Campaign "The 22nd anniversary of Tourism Authority of Thailand (TAT)", 2001, Thailand.

SCHOLARSHIP

2009-2011 Thailand Center of Excellence in Physics Scholarship

EXPERIENCES

2002-2006 Research Assistance at Laboratory of Atmospheric Physic, Department of Physics, Faculty of Science, Silpakorn University.

2006-2009 Faculty of Engineering, Southeast Asian University

Present Science Program, Faculty of Science and Technology, Nakhon Pathom Rajabhat University.

PUBLICATIONS

INTERNATIONAL JOURNALS

1. Kirdsiri, K., Kaewkhao, J., Pokaipisit, A., Chewpraditkul, W. and Limsuwan P., 2009, "Gamma-Rays Shielding Properties of $x\text{PbO}:(100-x)\text{B}_2\text{O}_3$ Glasses System at 662 keV" **Annals of Nuclear energy**, 36 (9), pp. 1360-1365. [impact factor = 0.831]
2. Kirdsiri, K., Kaewkhao, J., Chewpraditkul, W. and Limsuwan, P., 2010, "Photon Interactions in Borate Glass System Containing Bi_2O_3 , PbO and BaO at 60 keV: Theoretical Calculation", **Advance Materials Research**, 93-94, pp. 9-12. [Index by Scopus]

INTERNATIONAL CONFERENCES

1. Kaewkhao, J., Kedkaew, C., Kittiauchawal, T., Chanthima, N., Kirdsiri, K. and Limsuwan, P., 2011, "Total and Partial Photon Interactions of Silicate Glass System at 60 keV for Shielding Properties Investigation: Theoretical Calculation", **The Proceeding of Pure and Applied Chemistry International Conference 2010**, Ubon Ratchathani, Thailand, January 21-23, pp. 655-658.
2. Kirdsiri, K., Kaewkhao, J. and Limsuwan, P., 2011, "Fabrication and Optical Investigation of Lead Borate Glasses", **The proceeding of Pure and Applied Chemistry International Conference 2011**, Bangkok, Thailand, January 5-7, pp. 229.

NATIONAL CONFERENCES

1. Kirdsiri, K., Kaewkhao, J., and Limsuwan P., 2010, "Effect of PbO to structural and shielding properties of borate glass system" **Proceedings of the 36st Congress on Science and Technology of Thailand**, Bangkok, Thailand, October 26-28, pp. 166-167.

King Mongkut's University of Technology Thonburi
Agreement on Intellectual Property Rights Transfer for Postgraduate Students

Date.....10 November 2011.....

Name.....Kearati.....Middle Name.....
Surname/Family Name.....Kirdsiri.....
Student Number.....52500401..... who is a student of King's Mongkut's University of
Technology Thonburi (KMUTT) in Graduate Diploma Master Degree
 Doctoral Degree
Program.....Physics.....Field of Study.....Physics.....
Faculty/School.....Science.....
Home Address.....83. Maritree-ngam Road, Muang, Prachuap Khiri Khan.....
Postal Code.....77000.....Country.....Thailand.....

I, as 'Transferer', hereby transfer the ownership of my thesis copyright to King's
Mongkut's University of Technology Thonburi who has appointed (Dean's name)
Asst. Prof. Woranut Keatsinchai.....Dean of Faculty of.....SCIENCE.....to be
'Transferee' of copyright ownership under the 'Agreement' as follows.

1. I am the author of the thesis entitled.....Study on effective atomic number.....
and effective electron density of PbO-B₂O₃ glass system.....
under the supervision of.....Prof. Dr. Pichet Limsuwan.....
who is my supervisor, and/or.....Dr. Jakrapong Kaewkhao.....
who is/are my co-supervisor(s), in accordance with the Thai Copyright Act B.E. 2537. The thesis
is a part of the curriculum of KMUTT.

2. I hereby transfer the copyright ownership of all my works in the thesis to KMUTT
throughout the copyright protection period in accordance with the Thai Copyright Act B.E. 2537,
effective on the approval date of thesis proposal consented by KMUTT.

3. To have the thesis distributed in any form of media, I shall in each and every case
stipulate the thesis as the work of KMUTT.

4. For my own distribution of thesis or the reproduction, adjustment, or distribution of
thesis by the third party in accordance with the Thai Copyright Act B.E. 2537 with remuneration
in return, I am subject to obtain a prior written permission from KMUTT.

5. To use any information from my thesis to make an invention or create any intellectual
property works within ten (10) years from the date of signing this Agreement, I am subject to
obtain prior written permission from KMUTT, and KMUTT is entitled to have intellectual property
rights on such inventions or intellectual property works, including entitling to take royalty from
licensing together with the distribution of any benefit deriving partly or wholly from the works in

the future, conforming with the Regulation of King Mongkut's Institute of Technology Thonburi
Re the Administration of Benefits deriving from Intellectual Property B.E. 2538.

6. If the benefits arise from my thesis or my intellectual property works owned by
KMUTT, I shall be entitled to gain the benefits according to the allocation rate stated in the
Regulation of King Mongkut's Institute of Technology Thonburi Re the Administration of Benefits
deriving from Intellectual Property B.E. 2538.

Signature..... Keerati Kirdsiri..... Transferor
(..... Keerati Kirdsiri.....)
Student

Signature..... *Worant Keerati*..... Transferee
(Asst. Dr. Woranut Koetsinghai)
Dean

Signature..... *Pichet Limsuwan*..... Witness
(Prof. Dr. Pichet Limsuwan)

Signature..... *S. Dumrongrattana*..... Witness
(Asst. Prof. Dr. Supattanapong Dumrongrattana)
