AMNUAY U-BONRAT : THE POLITICAL THINKING OF THE TRAINEE OFFICERS  
OF THE INSTITUTE OF ADMINISTRATION DEVELOPMENT. THESIS ADVISOR :  
ASSO. PROF. PRAYAD HONGTHONGKUM, 267 pp. ISBN 974-584-460-8

This research is confined to the political thought of trainees in the Institute of Administration development especially the trainees of District Chief Officers Course Class 33 and the trainees of the High Level Governing Officers Course Class 28.

The finding is that the trainees of both classes have been similar in their values, attitudes and perception. Essentially, they are liberally - oriented. Their liberal predisposition has been generally imbedded in their character and personality.
