

## C486083 : MAJOR NURSING ADMINISTRATION

KEY WORD: ACADEMIC MANAGERS ACTIVITIES OF NURSING DIVISION

LADDAWAN YOUNGFHEUNGMONTRA A STUDY OF ACADEMIC MANAGEMENT ACTIVITIES OF NURSING DIVISION IN HOSPITALS UNDER THE JURISDICTION OF THE BANGKOK METROPOLITAN ADMINISTRATION. THESIS ADVISOR : ASSO.PROF. PRANOM OTHAGANONT, Ed.D. 183 pp. ISBN 974-583-863-2

The main purpose of this research were to study and compare academic managers activities of nursing division in Hospitals Under the Jurisdiction of the Bangkok Metropolitian. The research instrument were developed and tested for validity and reliability by researcher.

The major findings were as follow :

1. The academic nurse managers, more than 60 percentage, reported the most of activities of planning were performed. The activity performed in which academic nurse managers less than 60 percentage reported were named as 1) planning establishment of personnel development needs survey, 2) fellow ship planning for personnel to study abroad 3) establishment standard for nursing audit 4) establishment of policy and means for research promotion and 5) seeking and providing research fund.

2. The academic management in stage of implementation, in each activity and over all were performed in "moderate" level. There was a statistically significant different at .05 level performance in aspect of personnel development, academic promotion, and research, as classified by institution.

3. The academic management activities in aspect of personnel development and academic promotion, in stage of evaluation, were performed in "moderate" level, While the activity in aspect of research was in "less" level. There was a statistically significant difference at .05 level of performance in aspect of personnel development, and research, as classified by institution.

4. The problems, in stage of planning, reported by the academic nurse managers were named as budget insufficiency, nurse managers had more work load. In stage of implementation, the problems were named as insufficiency and improper of place, material and media, while none budget for evaluation was reported in stage of evaluation.
