CHAMLONG SRIMUANG. THESIS ADVISOR : ASSOC. PROF. PREECHA  
HONGKRILERT, Ph.D. 170 pp. ISBN 974-853-764-4

The purpose of this study is to identify the causal factors influencing the political thoughts of Major General Chamlong Srimuang. Attempts have been made to identify the actor's socialization process and relevant change-agents.

Consequently, the finding has been that the actor's family background, poverty, ethical socialization, adversed environments, civil and military education and critical events have played significant parts in forming and crystallizing his political thoughts which have been, to a large extent, democratically - oriented.
