

Title : INTELLECTUAL VALUE OF RAJATHIRACH
Author : Miss Suphen Yoothim
Adviser : Assist. Prof. Dr. Prachaksha Saisang
Type of Work : Thesis (M.A. in Thai Language), Naresuan University, 1999

The purpose of this thesis was to study in RAJATHIRACH by Chao Phya Phra Khlung's (Hon) intellectual Values. It was to analysed intellectual values : personal thoughts, the truths of life and of the world and human's virtues.

The findings were as followed: On the personal thoughts, they showed how one made use of his stratagem, psychology, vocabulary, customs and ceremonies, beliefs. In terms of the life and world truths, they demonstrated all the truths of nature, of humanity, of Buddhist reality. As regards human's virtues, they reflected good human relationships which would make for everlasting happiness in society.
