

POONSIRI GREWPENG : A STUDY OF ABILITY IN WRITING CREATIVE
COMPOSITION OF PRATHOM SUKSA FIVE STUDENTS IN BANGKOK METROPOLIS.
THESIS ADVISOR : ASST.PROF.RAMSAMORN YOOSATHAPORN, Ph.D., 157 PP.
ISBN 974-576-934-7

The purposes of this research were to study 1) The ability in writing creative composition of Prathom Suksa five students in Bangkok Metropolis. 2) The relationship between ability in writing creative composition and learning achievement in Thai language of Prathom Suksa five students. 3) Factors concerning teaching and learning creative composition writing as perceived by students themselves.

The findings of the research were as follow: 1) The ability in writing creative composition of Prathom Suksa five students in Bangkok Metropolis was at the low level according to the criteria of the Ministry of Education. 2) There was a significant relationship between ability in writing creative composition and learning achievement in Thai language at the .01 level. 3) According to most students' opinions methods of teaching composition writing were to describe stories based on their interests and the students themselves preferred writing from their imagination. The most important problem found was students lack sufficient knowledge in composition writing which affected students' ability in writing creative composition.
