KEY WORD : THE GREATIVE CONTEMPORARY THAI ART PAINTING / LOSS

SUKIT CHOOSRI : LOSS. THESIS ADVISORS : PROF. CHALOOD NIMSAMER  
AND ASSOC. PROF. PARINYA TANTISUK. 73 pp.

On the conflicted area, the South of Thailand, the chaos severely affects to me and current situation nowadays. My thesis entitled "The Loss" aims to convey my conception and feeling passing on the reality of lifestyle and the loss which really happens on this area. The figures of local wears and utensils in daily life are installed in free space and display with different intensity of dark and light. This implies to compression, misery, gloom and torment in my mind.
