

Teaching Materials

D-Freeze

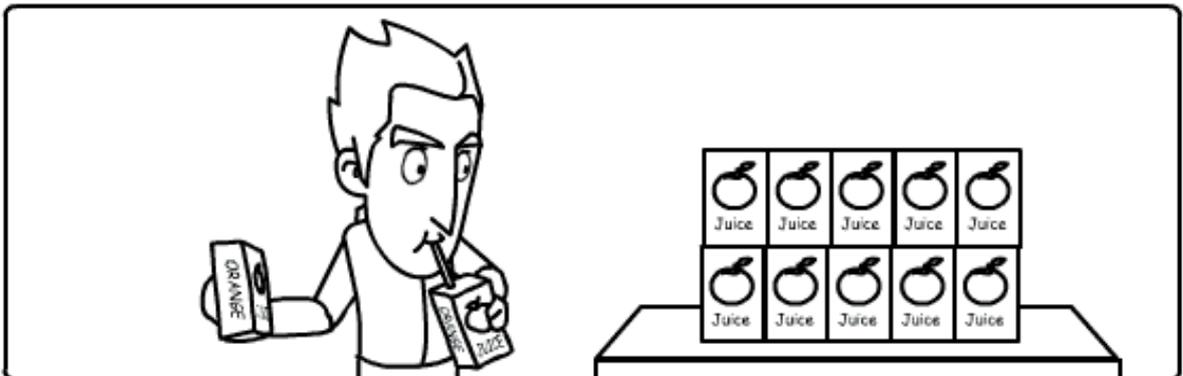

D-Freeze has hot and cold power

D-Freeze can blow ice

He can blow fire

He has X-ray eyes

But to keep his power he has to drink orange juice every day.

Electro Will

Electro Will has electric power.

He can zap people.

He can stop bad weather.

He can switch on
electricity
by pointing at it.

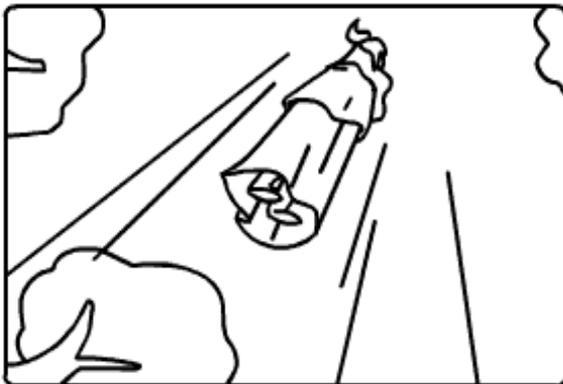

But Will needs a lot of electricity for his power.

The Spirit

The Spirit has wind power

She can blow things away.

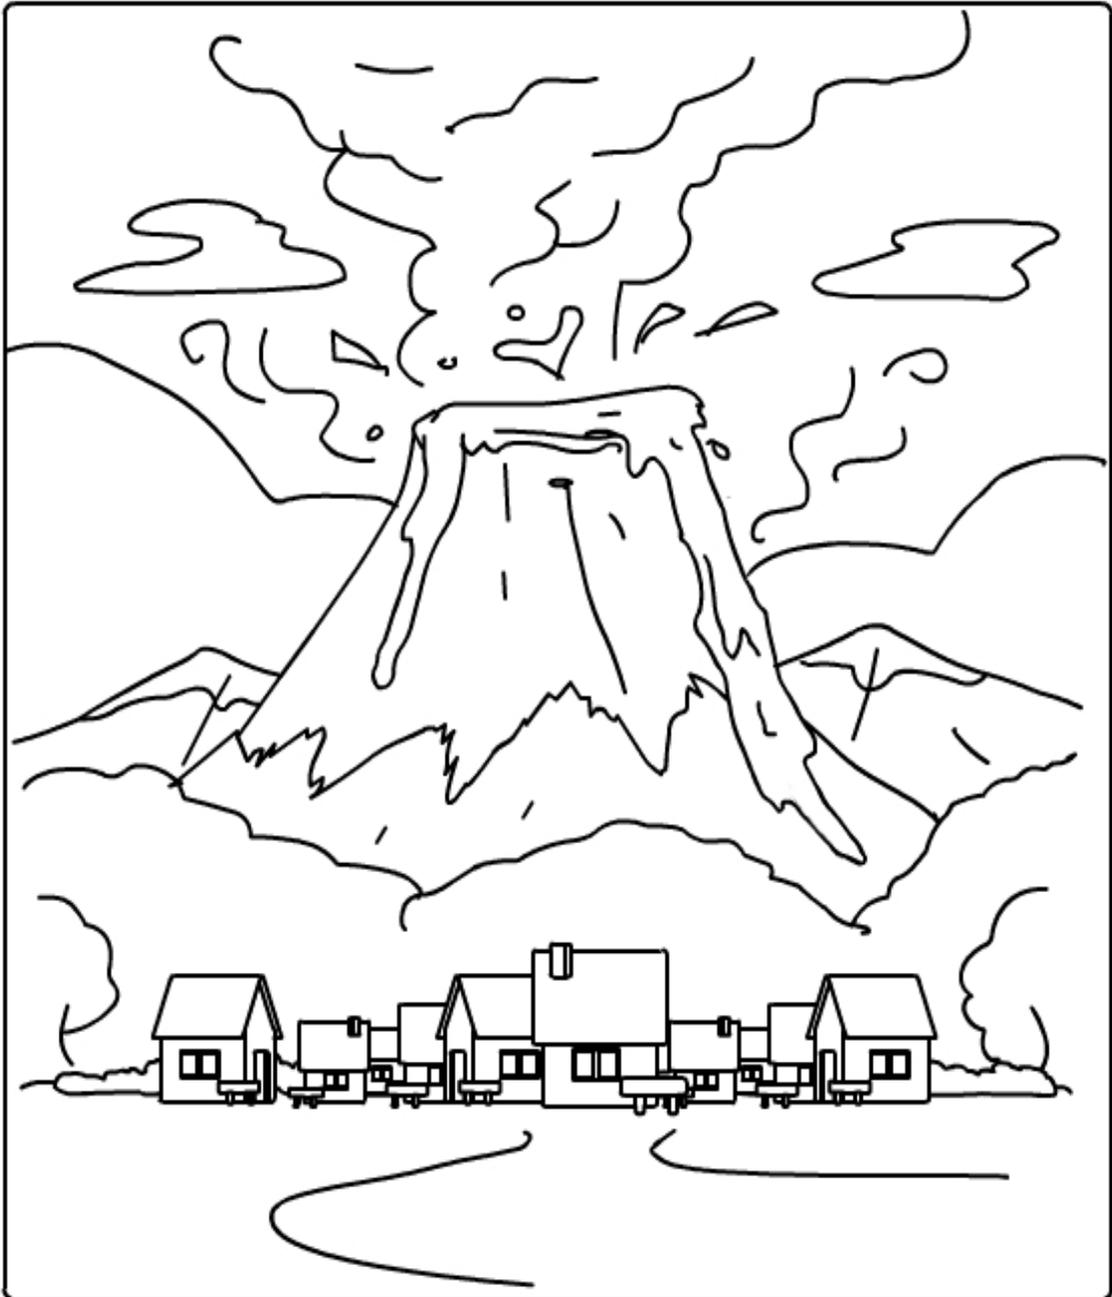

She is not heavy.
She can jump high.

She can go under doors!

But she doesn't like water.

A volcano is erupting!
The people in the town will all die!

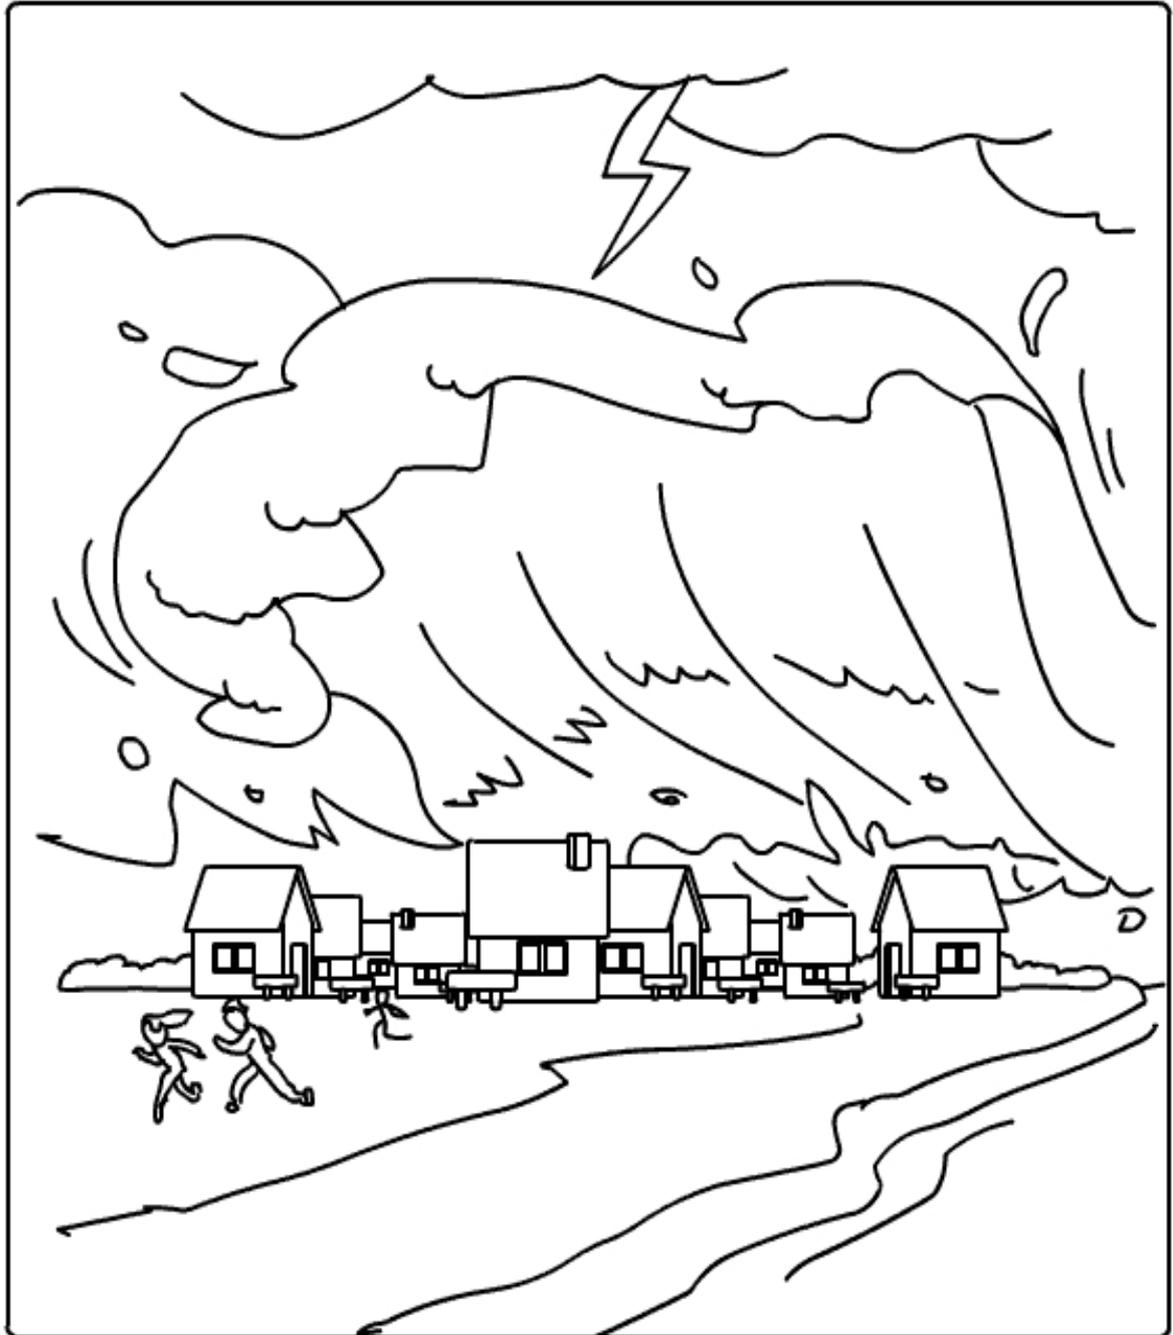

Help Us Superheroes, please!

The robbers have got the money.
The people are all locked in the bank!

Help Us Superheroes, please!

There is a big storm and the sea is coming onto the land.
The village near the sea will be covered in water!

Help Us Superheroes, please!
