

ACKNOWLEDGEMENT

First of all, I would like to say thank you to Dr.Suvit Thanniyavarn for his helpful in his invaluable advice and good comments towards the completion of this independent study. Your help has been very important for completing the independent study and motivating me when I felt hopeless and bored. I am also thankful to Dr.Ake Choonhachtrachai who gave me suggestions and help for identifying problems.

Finally I would also like to say special thank my parents and other family members who gave me inspiration and support to work hard. Also thank you to those whose names are not be mentioned here, but have a greatly and encouraged me until this independent study come to a perfect end.
