

YING TADKAEW : AN ORGANIZATION OF THE INSTRUCTIONAL ACTIVITIES FOR DEVELOPING THE DEMOCRATIC BEHAVIOR IN ELEMENTARY SCHOOLS UNDER THE JURISDICTION OF THE OFFICE OF PETCHABURI PROVINCIAL PRIMARY EDUCATION. THESIS ADVISOR : ASST.PROF. EKACHAI KEESOOKPUN, 149 PP. ISBN 974-578-793-3.

The purpose of this study was to investigate an organization and problems of the instructional activities for developing the democratic behavior in elementary schools under the jurisdiction of the Office of Petchaburi Provincial Primary Education. The sample consisted of 248 school administrators and teachers who took responsibility of the organization of the instructional activities for developing the democratic behavior in elementary schools. The instrument used was the questionnaire constructed by the reseacher. The data collected were computed for percentages, arithmetic means and Standard deviation.

The findings were as follow:

1. The instructional activities for developing the democratic behavior in elementary schools which organized most were activities daling with special occasions, student council, and the application of group process in instructional activities was least organized
2. Data Concerning the process of running activities showed that most of elementary schools used were group divided and planning activities by group process.
3. Most schools reported that they faced problems in organizing the instructional activities for developing the democratic behavior in elementary schools either at less or least levels in all aspects.
