The purposes of the research were to study the status, problems and obstacles in student personnel administration at the secondary level in schools under the jurisdiction of the Ministry of University Affairs, Bangkok Metropolis. Three hundred and eight copies of the questionnaire were distributed and two hundred and eighty-one completed copies (91.23%) were returned. The data were analyzed by Statistic Package for Social Science (SPSS) in terms of percentages, arithmetic means and standard deviations.

It was found that the eight aspects of the present status, problems and obstacles of student personnel administration at the secondary level in schools under the jurisdiction of the Ministry of University Affairs. Bangkok Metropolis were follows :

1. Student Classification
2. Orientation Program
3. School Discipline
4. School Records and Student Progress Reports
5. Student Activities
6. School Health Service
7. Counseling Services
8. Scholarship and Placement Services

All aspects of the present status were rated at the high level.

All problems and obstacles were rated at the low level.
