

## List of Tables

Table	Page
3.1 List of Hypotheses.....	34
4.1 A Sample Distribution.....	40
5.1 Demographics of Pre-test Group.....	58
5.2 Pre-testing Reliability Analysis.....	59
5.3 The Revised Items Pool.....	62
6.1 Sample Distribution.....	71
6.2 Non-normality Variables.....	73
6.3 Heteroscedasticity Variables.....	73
6.4 Characteristics of the Sample.....	74
6.5 Cronbach's Alpha and Item-total Correlation of the Constructs.....	76
6.6 EFA of SERVTRUST for Health Care Service Providers.....	81
6.7 Item-total Correlation and Alpha Coefficient of SERVTRUST for Health Care Service Providers.....	84
6.8 EFA of Antecedents of SERVTRUST for Health Care Service Providers.....	86
6.9 EFA of Consequences of SERVTRUST for Health Care Service Providers.....	87
6.10 EFA of SERVTRUST for Banking Service Providers.....	88
6.11 Item-total Correlation and Alpha Coefficient of SERVTRUST for Banking Service Providers.....	91
6.12 EFA of Antecedents of SERVTRUST for Banking Service Providers.....	93
6.13 EFA of Consequences of SERVTRUST for Banking Service Providers..	94
6.14 EFA of SERVTRUST for Average Scale.....	95
6.15 Item-total Correlation and Alpha Coefficient of SERVTRUST for Average Scale.....	98
6.16 EFA of Antecedents of SERVTRUST for Average Scale.....	99
6.17 EFA of Consequences of SERVTRUST for Average Scale.....	101
6.18 CFA of SERVTRUST Scale for Health Care Service Providers.....	103

6.19	Confirmatory Factor Analysis of Antecedents and Consequences of SERVTRUST Scale for Health Care Service Providers.....	106
6.20	CFA of SERVTRUST Scale for Banking Service Providers.....	107
6.21	Confirmatory Factor Analysis of Antecedents and Consequences of SERVTRUST Scale for Banking Service Providers.....	110
6.22	CFA of SERVTRUST for Average Scale.....	111
6.23	Confirmatory Factor Analysis of Antecedents and Consequences of SERVTRUST for Average Scale.....	114
6.24	Cronbach's Alpha, Construct Reliability, and Item-total Correlation of SERVTRUST and Its Antecedents and Consequences for Health Care Service Providers.....	115
6.25	Cronbach's Alpha, Construct Reliability, and Item-total Correlation of SERVTRUST and Its Antecedents and Consequences for Banking Service Providers.....	117
6.26	Cronbach's Alpha, Construct Reliability, and Item-total Correlation of SERVTRUST and Its Antecedents and Consequences for Average Scale.....	119
6.27	Construct Reliability, Variance Extracted, and Convergent Validity of SERVTRUST, its Antecedents and Consequences for Health Care Service Providers.....	123
6.28	Inter-construct Squared Correlation and Variance-extracted of SERVTRUST for Health Care Service Providers.....	123
6.29	Inter-Construct Correlation and Variance-Extracted of Antecedents of SERVTRUST for Health Care Service Providers.....	124
6.30	Inter-Construct Correlation and Variance-Extracted of Consequences of SERVTRUST for Health Care Service Providers.....	124
6.31	Construct Reliability, Variance Extracted, and Convergent Validity of SERVTRUST, Its Antecedents and Consequences for Banking Service Providers.....	125
6.32	Inter-Construct Squared Correlation and Variance-Extracted of SERVTRUST for Banking Service Providers.....	125

6.33	Inter-Construct Correlation and Variance-Extracted of Antecedents of SERVTRUST for Banking Service Providers.....	126
6.34	Inter-Construct Correlation and Variance-Extracted of Consequences of SERVTRUST for Banking Service Providers.....	126
6.35	Construct Reliability, Variance Extracted, and Convergent Validity of SERVTRUST, Its Antecedents and Consequences for Average Scale.....	127
6.36	Inter-Construct Squared Correlation and Variance-Extracted of SERVTRUST for Average Scale.....	127
6.37	Inter-Construct Correlation and Variance-Extracted of Antecedents of SERVTRUST for Average Scale.....	128
6.38	Inter-Construct Correlation and Variance-Extracted of Consequences of SERVTRUST for Average Scale.....	128
7.1	Cutoff Values of Fit Indices.....	131
7.2	SEM Fit Statistics of SERVTRUST for Health Care Service Providers....	133
7.3	Total, Direct and Indirect Effect of Structural Model of SERVTRUST Scale for Health Care Service Providers.....	134
7.4	The Test of Mediating Effect of SERVTRUST for Health Care Service Providers.....	135
7.5	SEM Fit Statistics of SERVTRUST for Banking Service Providers.....	137
7.6	Total, Direct, and Indirect Effect of Structural Model of SERVTRUST for Banking Service Providers.....	138
7.7	The Test of Mediating Effect of SERVTRUST for Banking Service Providers.....	139
7.8	SEM Fit Statistics of SERVTRUST for Average Scale.....	141
7.9	Total, Direct, and Indirect Effect of Structural Model of SERVTRUST for Average Scale.....	142
7.10	The Test of Mediating Effect of SERVTRUST for Average Scale.....	143
7.11	Hypotheses Testing Results of SERVTRUST's Structural Model for Health Care Services.....	145
7.12	Hypotheses Testing Result of SERVTRUST's Structural Model for Banking Services.....	146

7.13	Hypotheses Testing Result of SERVTRUST's Structural Model for Average Scale.....	147
7.14	Conclusion of Hypotheses Testing Result of SERVTRUST's Structural Model.....	147
7.15	Inter-Construct Correlation of SERVTRUST Scale for Health Care Service Providers.....	148
7.16	Inter-Construct Correlation of SERVTRUST Scale for Banking Service Providers.....	149
7.17	Inter-Construct Correlation of SERVTRUST for Average Scale.....	149
7.18	Conclusions from Testing Hypothesized Relationships among SERVTRUST and Its Antecedent and Consequent Constructs.....	149
8.1	SERVTRUST Scale for Health Care Service Providers.....	163
8.2	SERVTRUST Scale for Banking Service Providers.....	165
8.3	SERVTRUST for Average Scale.....	166
8.4	SERVTRUST Scale for Other Service Industries.....	176
D.1	Correlation Matrix of Constructs within SERVTRUST for Health Care Service Providers.....	216
D.2	Correlation Matrix of Constructs within Antecedents for Health Care Service Providers.....	217
D.3	Correlation Matrix of Constructs within Consequences for Health Care Service Providers.....	217
D.4	Correlation Matrix of Constructs within SERVTRUST for Banking Service Providers.....	218
D.5	Correlation Matrix of Constructs within Antecedents for Banking Service Providers.....	218
D.6	Correlation Matrix of Constructs within Consequences for Banking Service Providers.....	219
D.7	Correlation Matrix of Constructs within SERVTRUST for Average Scale.....	219
D.8	Correlation Matrix of Constructs within Antecedents for Average Scale.....	220
D.9	Correlation Matrix of Constructs within Consequences for Average Scale.....	220
