ACKNOWLEDGEMENT

My sincerest gratitude to:

Assistant Professor Dr. Supaporn Chinchai, my supervisor, for the invaluable guidance, critics and assistance, Associate Professor Soisuda Vittayakorn for the time and effort put together in the first phase of the study, Associate Professor Dr. Maethisa Pongsaksri for her availability, patience, invaluable advice, support and encouragement,

Professor Dr. Terry K. Crow from University of New Mexico for the encouragement and contribution made to my research by sharing her knowledge and expertise, and guiding the outline of literature review, and subjects,

The committee composed of Assoc. Prof. Dr. Nuntanee Satiansukpong, Dr.Sarinya Sripetcharawut and Dr.Supalak Khemthong for their invaluable suggestions,

The PRO-ED, Inc. Copyright owner of DTVP-2, which allowed the translation of its test for the purpose of this academic research.

Specially thanks and appreciation to Dr. Pattarachit Choempel Gozzoli, Statistic Advisor, Office of The National Economic and Social Development Board, and Dr. Roberto B. Gozzoli, Mahidol University, Mahidol University International College, that contributing and proving English.

The teachers, staff and students from the schools where the data collection took place and the parents who agreed to have their children participate, and

My parents, husband, lovely kids, sister, brother, sister-in-law and friends for the important sacrifices made during the research.

Without them this could not be a successful research.
