

ACKNOWLEDGEMENTS

First of all, I would like to express my gratitude to my advisor, Associate Professor Supong Tungkientsirisil, for his guidelines and advice. I could have never completed this without your support.

To all my British Council colleagues, especially my line manager, Khun Uraiwan Samolee, who provides valuable support and flexible working schedule for me to complete this Independent Study.

To Khun Siriwon, LITU staff, I really appreciate your great support.

To my family, and friends who always encourage me to get through the hard situations.
