

ACKNOWLEDGEMENTS

I would like to acknowledge and express my gratitude to all those who gave me the possibility to complete this thesis. First and foremost, I would like to express my deepest gratitude to Associate Professor Srisomruk Intojunyong for being my thesis advisor and for providing knowledgeable guidance and invaluable contributions to this thesis. I would also add a debt of gratitude to all the committee members, Dr. Mathupayas Thongmak and Asst.Prof. Dr.Sukree Sinthupinyo, whose invaluable knowledge, time and support were critical for the completion of this thesis.

I would also like to extend my appreciation to many other people who directly and indirectly contributed greatly to this thesis. These people include contacts at various shipping organizations for the time they took in distributing and gathering the questionnaire. With their assistance, my thesis is finally completed.

My special gratitude goes to my parents for their love, understanding and support throughout this incredible endeavor. They are the most significant persons who made this thesis completed.
