

ACKNOWLEDGEMENT

I would like to thank the following people for making my baby thesis a reality. First of all, I would like to thank Dr. Pisanu Sunthraraks for brightening my experiences at MIR and for enlightening me through all the talks. I never knew that international relations could be this enjoyable! To the other MIR faculties, thanks for completing my journey. To my mom for giving me the hand-on experience in this sparkling industry. Words are not enough to express my gratitude towards all the love and the diamonds that you have given me. You are a gem! To my dad, thanks for being YOU. I could never ask for more. Special thanks to Pee Keng for being my reasons. To Pee Jane, thanks for sticking with me through thick and thin. To Pee Ace, Pee Pui, Pee Kwan, Klang and Tong, for all the none-MIR topics we shared. Big thanks to my long-lost brother, Pee Beer and to my soulmies, Neil, Gigg, and Bee. To Angel, Diva, and Bella for keeping me companies through all the late nights. To the others, thank you!
