This individual research is accomplished with assistance and support from my literary professors at Thammasat University. My earnest appreciation is dedicated to Dr. Sunanta Wannasin Bell for her invaluable advice and guidance in every stage of the study. I am indebted to Mr. Jeffrey Kramer for giving literary knowledge and constructive opinions throughout my years of coursework. I am also grateful to Assoc. Prof. Dr. Thanyarat Panakul for her linguistic advice throughout the research. Last, but not least, I would like to express my thankfulness to my friends who share their academic experience, give constant support and never rain on my parade. All deficiencies in this paper are entirely my own responsibility.
