

ACKNOWLEDGEMENTS

I wish to express my sincere gratitude to my adviser, Assoc. Prof. Kusumal Rajatanun for taking time out to give valuable advice, guidance, and comments until my study was completed

Secondly, my gratitude goes to my family for their affection, protection, and understanding. I also would like to all thank respondents who gave their time in answering my questionnaires especially to some of them who kindly suggested respondents to help me complete the questionnaires.

Finally, I would like to express my profound gratitude and appreciation to my friends who have made my study at Thammasat University exciting. They have all been wonderfully supportive and encouraged me and gave input which contributed towards the writing of this paper.
