

ACKNOWLEDGEMENTS

I owe this accomplishment to many people to whom I am deeply grateful. This independent study could not have been completed without their kind support and contribution. I would like to express my thanks to my advisor, Associate Professor Suree Kongsomchit for her kind guidance, valuable comments, suggestions, and continuous encouragement throughout the study. My gratitude is also extended to all instructors and staff at the Language Institute, Thammasat University, for their kind support and help.

My sincere gratitude goes to instructors and staff members of The Middle Way Meditation Retreat. Deep appreciation is extended to the foreigners joining the retreat for their kindness and cooperation in providing me with useful information to make this study successful.

I would also express my thanks to all my friends for at Thammasat University for their encouragement throughout the study.

Most significantly, I am eternally indebted to my beloved family for their unconditional love and support which has led me to every success in my life.
