

ACKNOWLEDGEMENTS

To complete this study, I would like to thank several people who assisted me to achieve the goal of the study. First I would like to express my love and gratitude to my mother and father for their love, care and encouragement. Second, my gratitude to Associate Professor Suree Kongsomchit, my advisor, for her guidance and patience in assisting me with this research paper. My appreciation and thankfulness go to all of staff at the Language Institute of Thammasat University for their advice and assistance.

In addition, my appreciation is extended to all my respondents for their cooperation in responding to my questionnaires. Importantly, I would like thank Ms. Weerawan Khanarnan as well as Ms. Pojjana Anupongsanukul for their part from the beginning, giving me inspiration as well as assistance in completing this study. Lastly, I would like to thank the gods for giving me a chance to be a part of this wonderful community at Thammasat University.
