Table 2.1: Tentative Totals and Subtotals of Financial Statements.....	15
Table 2.2: List of Other Comprehensive Income Items as Defined by FASB and Other Recognized Income and Expense Items as Defined by IASB	18
Table 3.1: Experimental Conditions in Experiment 1	49
Table 3.2: Experimental Conditions in Experiment 2	50
Table 4.1: Analysis of Research Participant’s Characteristics by Subject Groups.....	63
Table 4.2: Analysis of Research Participant’s Characteristics by Experimental Conditions	66
Table 4.3: Analysis of Prior Knowledge of Research Participants by Experimental Conditions	70
Table 4.4: Analysis of Performance Evaluation Judgments in Experiment 1	75
Table 4.5: Additional Analysis for High-Low Knowledge Subsamples in Experiment 1.....	81
Table 4.6: Analysis of Information Extraction in Experiment 1	84
Table 4.7: Analysis of Earnings Per Share Forecasts in Experiment 1	87
Table 4.8: Analysis of Financial Position Evaluation in Experiment 1	88
Table 4.9: Analysis of Earnings Management Possibility in Experiment 1	89
Table 4.10: Analysis of Probable Cause of Increase in Cost of Goods Sold in Experiment 1	89
Table 4.11: Analysis of Understandability and Usefulness of Financial Statements in Experiment 1	91
Table 4.12: Analysis of Performance Evaluation Judgments, Future Trend, and Growth Prospects in Experiment 2	95
Table 4.13: Additional Analysis for High-Low Knowledge Subsamples in Experiment 2.....	100

Table 4.14: Analysis of Information Extraction in Experiment 2	103
Table 4.15: Analysis of Earnings Per Share Forecasts in Experiment 2	105
Table 4.16: Analysis of Financial Position Evaluation in Experiment 2.....	107
Table 4.17: Analysis of Earnings Management Possibility in Experiment 2	107
Table 4.18: Analysis of Probable Cause of Increases in Cost of Goods Sold in Experiment 2.....	107
Table 4.19: Analysis of Understandability and Usefulness of Financial Statements in Experiment 2.....	109
Table 4.20: Analysis of Financial Statement Presentation Format Familiarity of Research Participants in Each Experimental Condition	111
Table 4.21: Analysis of Recall Test of Totals and Subtotals by Experimental Conditions.....	114
