

## ACKNOWLEDGEMENTS

This independent study could not have been completed without the support of many people. I would like to take this opportunity to express my deepest gratitude to those who have contributed to this study.

First of all, I wish to express my profound gratitude to my adviser, Asst. Prof. Vimolchaya Yanasugondha, for her valuable guidance, understanding, and patience throughout the stages of the study.

I would like to thank all of the instructors of the Language Institute, Thammasat University, who sacrificed their time, effort, and knowledge for us. In addition, I would like to thank the administrative staff of the Language Institute for their help and suggestions.

Finally, I would like to express my sincere thanks for the unconditional support and encouragement from my parents and friends during my two years studying in the English for Careers Program. Without all of these people, I could not complete this paper.
