

## **ACKNOWLEDGEMENTS**

I would like to express my sincere thanks for Assistant Professor Dr. Somsook Khongpun, my advisor for her generous supervision and useful advice in conducting this research. I also wish to thank all of the lecturers in M.A. English for Careers Program for providing knowledge and suggestions about study and work. Furthermore, I would like to thank all friends in classes who always kindly assisted me during studying, especially Khun Duangporn Angsumalee, Khun Pornphan Viroonpinyo and Khun Atchara Nukoonthonprakit for encouraging and supporting me all the two years during the studying. Thanks for all of respondents of the research and friends and officers at the Central Administrative Court who assisted in distribution and provided useful opinions in the study. Finally, I would like to thank the Language Institute, Thammasat University for providing a valuable opportunity for study of the Master of Arts in English for Careers.
