

ACKNOWLEDGEMENTS

This research study could not have been completed without great assistance and support of my individual study. First of all, I would like to express my deepest gratitude and sincere appreciation to my advisor, Asst. Prof. Vimolchaya Yanasugondha, for her generous guidance, invaluable suggestions and continuous encouragement throughout this research. Next, I would like to thank Dr. Supanee Javarak-Apimas who gave me useful guidance in the scope of study and constructing the research instrument.

My immense gratitude is also extended to all instructors and staff at the Language Institute, Thammasat University, and all my beloved friends for their support and help.

Finally, I would like to thank my family for their massive support and encouragement throughout my study at Thammasat University.
