

ACKNOWLEDGEMENTS

This research study on Stress and Coping strategies: A case Study of M.1 Students in the English Program at Patumwan Demonstration School could not have succeeded without the great assistance and support from many parties.

First of all, I would like to take this chance to express my deepest gratitude to Associate. Prof. Dr.Nutchaya Chalaysap, the advisor of this study, who always provided very valuable suggestions, constructive comments and kind support to my study.

Next, I would like to extend my sincere appreciation to my boss and my colleagues for encouraging me to complete my research.

Furthermore, I would like to thank my M.1 students in the English Program at Patumwan Demonstration School, who were very supportive respondents. They provided great inspiration to complete my research.

Finally, I would like to thank my family who always supported and encouraged me to reach my goal. Without them, this research study could not have been completed.
