

ACKNOWLEDGMENTS

This research was completed with the assistance and support from many people. I would like to express my gratitude to all of them.

I wish to express my deepest gratitude to my advisor, Ajarn Wanna Charoenchang, for her valuable advice and guidance on my study. My sincere thanks go to Miss Suchasinee Disthasomboon, my co-worker for helping in the questionnaire distribution.

My appreciation is also expressed to all respondents for their kind cooperation in answering the questionnaires.

Finally, I would like to give thanks for the personal support from my family, especially my sister, my mother and my father.
