I would like to express my sincere gratitude to everybody who helped me complete this research. First of all, I would like to thank Associate Professor Kusumal Rajatanun, my adviser, who gave me very useful suggestions and comments on the contents of research from the beginning until the completion of this research study.

Moreover, I am very grateful to all respondents from Canon Marketing (Thailand) Co., Ltd who completed the questionnaires with their kind cooperation. I would also like to express my appreciation to my parents, all members in my family, and my friends for their support and encouragement as always. Finally, many thanks to my husband for his great support and understanding of my spending much time on this research. Without all of those I've mentioned above, I would never have finished this research study.
