

## ACKNOWLEDGEMENTS

I would like to express my gratitude to all those who helped me complete this research paper. The first person I wish to thank is my advisor, Associate Professor Kusumal Rajatanun, for her excellent guidance and advice. I am also very thankful to all the instructors and staff at the Language Institute, Thammasat University for helping me along every step of the way.

I would like to thank my classmates for helping me and making class time an enjoyable and memorable experience. My deepest gratitude goes to Miss Waralee Peetawan for her kind assistance in data analysis and technical support. I would also like to thank the freshmen at the Faculty of Arts, Chulalongkorn University for participating in this research.

Lastly, I would like to express my appreciation to my colleagues at for their devotion and useful advice, and also to my place of employment, the Wall Street Institute, for giving me the opportunity to pursue a master degree.

This project would not be possible without the support from my beloved parents and the rest of my family both in Khon Kaen and in Bangkok.
