

ACKNOWLEDGEMENT

First of all, I would like to acknowledge the Center for Innovation in Chemistry (PERCH-CIC) and Pharmaceutical Sciences, Naresuan University for the financial support to this study.

I would like to express my deep sincere gratitude and respect to my advisor, Associate Professor Dr. Neti Waranuch who was abundantly helpful, providing support and guidance. For all I learned from him, his attitude to research has been of great value for me.

I also would like to thanks co-advisor Dr. Wudtichai Wisuitiprot and Associate Professor Dr. Kornkanok Inkaninan for their continual help and advice throughout my study.

I am gratefully acknowledged to all staffs in faculty of Pharmaceutical Sciences and Cosmetics & Natural Products Research Center (CosNat) for their help.

Finally, I also thank my family who encouraged me and stood by me with their best wish throughout the time of my research.
