

ACKNOWLEDGEMENT

I would like to express my sincere gratitude to my advisor, Associate Professor Dr. Manoj Siripitukdet, for his initial idea, guidance and encouragement which enable me to carry out my study successfully.

This work contains numbers of improvement based on comments and suggestions provided by Associate Professor Dr. Sorasak Leeratanavalee, Assistant Professor Dr. Chaiwat Namnak, Dr. Suphawan Janphaisaeng, Assistant Professor Dr. Aiyared Iampan and Dr. Umarin Pintoptang. It is my pleasure to express my thanks to all of them for their generous assistance.

I would like to thank for teachers and friends in helping me to broaden my view and knowledge. My graduation would not achieved without best wishes from my parents, who help me for everything.

Finally, I appreciate mentioning that my graduate study was supported by Office of the Higher Education Commission (OHEC), Thailand.
