Thesis entitled “Using High Solar Reflective Coating to Improve-energy saving
in Building”

by Worawat Chaiyosburana

has been approved by the Graduate School as partial fulfillment of the requirements
for the Doctor of Philosophy Degree in Renewable Energy of Naresuan University

Oral Defense Committee

..... Chair
(Assistant Professor Prapita Thanarak, Ph.D.)

..... Advisor
(Assistant Professor Sarayooth Vaivudh, Ph.D.)

..... Co – Advisor
(Assistant Professor Nipon Ketjoy, Dr.-Ing.)

..... Co – Advisor
(Associate Professor Wattanapong Rakwichian, Ph.D.)

..... External Examiner
(Associate Professor Thanakom Soontornchainacksaeng, Ph.D.)

..... External Examiner
(Associate Professor Sakon Klongboonjit, Ph.D.)

Approve

.....
(Professor Rattana Buosonte, Ed.D.)
