

**For all my beloved ones  
and the World of sharing and caring**

## ACKNOWLEDGEMENT

The author wishes to express his profound sense of gratitude to *Dr. Banyong Toomsan, Dr. Viriya Limpinuntana* and *Associate Professor Dr. Prasit Jaisil*, Department of Agronomy, Faculty of Agriculture, Khon Kaen University, the Advisory Committee, for valuable guidance, constructive criticism and unstinted help in completing the thesis.

The encouragements and inspiration rendered by *Dr. M. Krishnamurthi*, Advisor, E.I.D. Parry (India) Co., Ltd., and *Dr. Manjunatha S. Rao*, Principal Plant Breeder, Mitr Phol Sugar Research Center is gratefully acknowledged. This work could not have been completed without the opportunity provided by Mitr Phol Sugarcane Research Center.

The author is also grateful to his parents for their keen interest and encouragement throughout the course of this study.

Sincere thanks are placed for all friends whose help made the task lighter.

Apichart Sreewarome
