

List of Figures

Figure	Page
2.1 <i>Terminalia chebula</i> Retz.	5
2.2 <i>Terminalia bellerica</i> (Gaertn.) Roxb.	12
4.1 The histology of lung from female rats receiving <i>T. chebula</i>	73
4.2 The histology of heart from female rats receiving <i>T. chebula</i>	73
4.3 The histology of liver from female rats receiving <i>T. chebula</i>	74
4.4 The histology of spleen from female rats receiving <i>T. chebula</i>	74
4.5 The histology of kidney from female rats receiving <i>T. chebula</i>	75
4.6 The histology of adrenal gland from female rats receiving <i>T. chebula</i>	75
4.7 The histology of uterus from female rats receiving <i>T. chebula</i>	76
4.8 The histology of ovary from female rats receiving <i>T. chebula</i>	76
4.9 The histology of thymus from female rats receiving <i>T. chebula</i>	77
4.10 The histology of stomach from female rats receiving <i>T. chebula</i>	77
4.11 The histology of intestine from female rats receiving <i>T. chebula</i>	78
4.12 The histology of muscle from female rats receiving <i>T. chebula</i>	78
4.13 The histology of pancreas from female rats receiving <i>T. chebula</i>	79
4.14 The histology of brain from female rats receiving <i>T. chebula</i>	79
4.15 The histology of spinal cord from female rats receiving <i>T. chebula</i>	80
4.16 The histology of lung from male rats receiving <i>T. chebula</i>	80
4.17 The histology of heart from male rats receiving <i>T. chebula</i>	81
4.18 The histology of liver from male rats receiving <i>T. chebula</i>	81
4.19 The histology of spleen from male rats receiving <i>T. chebula</i>	82
4.20 The histology of kidney from male rats receiving <i>T. chebula</i>	82
4.21 The histology of adrenal gland from male rats receiving <i>T. chebula</i>	83
4.22 The histology of epididymis from male rats receiving <i>T. chebula</i>	83
4.23 The histology of testis from male rats receiving <i>T. chebula</i>	84
4.24 The histology of thymus from male rats receiving <i>T. chebula</i>	84
4.25 The histology of stomach from male rats receiving <i>T. chebula</i>	85
4.26 The histology of intestine from male rats receiving <i>T. chebula</i>	85

List of Figures (continued)

Figure	Page
4.27 The histology of muscle from male rats receiving <i>T. chebula</i>	86
4.28 The histology of pancreas from male rats receiving <i>T. chebula</i>	86
4.29 The histology of brain from male rats receiving <i>T. chebula</i>	87
4.30 The histology of spinal cord from male rats receiving <i>T. chebula</i>	87
4.31 The histology of lung from female rats receiving <i>T. bellerica</i>	88
4.32 The histology of heart from female rats receiving <i>T. bellerica</i>	88
4.33 The histology of liver from female rats receiving <i>T. bellerica</i>	89
4.34 The histology of spleen from female rats receiving <i>T. bellerica</i>	89
4.35 The histology of kidney from female rats receiving <i>T. bellerica</i>	90
4.36 The histology of adrenal gland from female rats receiving <i>T. bellerica</i> ...	90
4.37 The histology of uterus from female rats receiving <i>T. bellerica</i>	91
4.38 The histology of ovary from female rats receiving <i>T. bellerica</i>	91
4.39 The histology of thymus from female rats receiving <i>T. bellerica</i>	92
4.40 The histology of stomach from female rats receiving <i>T. bellerica</i>	92
4.41 The histology of intestine from female rats receiving <i>T. bellerica</i>	93
4.42 The histology of muscle from female rats receiving <i>T. bellerica</i>	93
4.43 The histology of pancreas from female rats receiving <i>T. bellerica</i>	94
4.44 The histology of brain from female rats receiving <i>T. bellerica</i>	94
4.45 The histology of spinal cord from female rats receiving <i>T. bellerica</i>	95
4.46 The histology of lung from male rats receiving <i>T. bellerica</i>	95
4.47 The histology of heart from male rats receiving <i>T. bellerica</i>	96
4.48 The histology of liver from male rats receiving <i>T. bellerica</i>	96
4.49 The histology of spleen from male rats receiving <i>T. bellerica</i>	97
4.50 The histology of kidney from male rats receiving <i>T. bellerica</i>	97
4.51 The histology of adrenal gland from male rats receiving <i>T. bellerica</i>	98
4.52 The histology of epididymis from male rats receiving <i>T. bellerica</i>	98
4.53 The histology of testis from male rats receiving <i>T. bellerica</i>	99
4.54 The histology of thymus from male rats receiving <i>T. bellerica</i>	99

List of Figures (continued)

Figure		Page
4.55	The histology of stomach from male rats receiving <i>T. bellerica</i>	100
4.56	The histology of intestine from male rats receiving <i>T. bellerica</i>	100
4.57	The histology of muscle from male rats receiving <i>T. bellerica</i>	101
4.58	The histology of pancreas from male rats receiving <i>T. bellerica</i>	101
4.59	The histology of brain from male rats receiving <i>T. bellerica</i>	102
4.60	The histology of spinal cord from male rats receiving <i>T. bellerica</i>	102
