

List of Figures

Figure		Page
2.1	Differential diagnostic flow chart (Waddell, 1998)	9
3.1	Stabilizer TM pressure bio-feedback (CHATTANOOGA Group, INC)	24
3.2	The testing position of spinal stability with the Stabilizer TM pressure bio-feedback.....	24
3.3	The testing position of spinal stability with the Stabilizer TM pressure bio-feedback in level 1	25
3.4	The testing position of spinal stability with the Stabilizer TM pressure bio-feedback in level 2.....	25
3.5	The testing position of spinal stability with the Stabilizer TM pressure bio-feedback in level 3	26
3.6	The testing position of spinal stability with the Stabilizer TM pressure bio-feedback in level 4.....	26
3.7	The testing position of spinal stability with the Stabilizer TM pressure bio-feedback in level 5	27
3.8	The testing position of spinal stability with the Stabilizer TM pressure bio-feedback in level 6.....	27
3.9	The position semi-standing on the Isokinetic Biodex TM System-3; a) starting position, b) trunk extension, c) trunk flexion.....	28
3.10	The position for endurance test of back muscle (Sorensen Test).....	29
4.1	The diagram of the number of volunteers participating in this study	31
