

ACKNOWLEDGEMENTS

This research paper could not have been completed without enduring support from many persons.

First of all, I wish to express my appreciation to Assoc. Prof. Kusumal Ratchatanan for her valuable advice and guidance in my study.

I also wish to express my gratitude to all the instructors at the Language Institute, Thammasat University, for their knowledge, kindness and patience given to me during my master's degree study.

My appreciation is also expressed to all the respondents for their kind cooperation in answering the questionnaire and to Ajarn Chantana Chakchitpa and Ajarn Tipsumarn Buranagasipong, Ms. Sawittree Suwannet and Mr. Chanond Buranabunpot for recruiting participants for this survey.

Finally, my sincere appreciations go to all the LITU class mates and my family for their generous support and suggestions throughout my M.A. program studies.
