

ACKNOWLEDGEMENTS

First of all, I would like to express my appreciation for TEFL, Language Institute. As the program requires a research paper submitted in partial fulfillment for the degree of Master of Arts, I was provided an opportunity to practice the process of research conduction necessary for both my future education and career. At the same time, to accomplish the research, most subjects I learned from the course: Comparative Grammar in Foreign Language Acquisition, Introduction to Foreign Language Acquisition, Testing and Evaluation, and Research Methodology, served a useful knowledge. Consequently, I would like to express gratitude to all instructors.

Furthermore, I would like to thank from the heart Ajarn Edward Geerson, my advisor who has devoted much time and assisted through all phases of working on the study and research paper.

Moreover, I am so grateful to Samutsakornburana School teachers, Ajarn Nittaya Poursakul, the assistant director who provided help for many matters: subjects, place, and time, Ajarn Boonlueen Cheunim, the head English teacher for all the greatest help and support. Ajarn you saved my life over and over. Then, thank you to very responsible M.1/1 and M.1/2 students.

Most importantly, I wish to thank my family for the greatest love and encouragement. Dad, mom and Benji, you have lighted up my life since I was born into the world. My passed away granddad and grandmom, I know you are always around here for help. Besides, thanks to my lovely roommate, Jum and my close friends, Eve and Yui. You never hesitated to give me a hand every time I needed it.

Lastly, TEFL9 friends, our ship is reaching the coast and the journey is going to be over. For my gangsters, P'Nang, P' Tik, P' Auth, P'Mai and P' Lhing, thank you for having taken care of me very well through this trip of life.
