

ACKNOWLEDGEMENTS

I would like to seize this opportunity to express my deepest gratitude and wholehearted thanks to persons who have rendered their most valuable help to me in accomplishing this comparative study research. First of all, wholehearted thanks and gratitude are to Associate Professor Dr. Pratin Pimsarn, the Director of the Language Institute of Thammasat University, who is my instructor and academic adviser, and kindly and wisely guided, commented and corrected my mistakes with his sound knowledge and experience.

My sincere thanks and gratitude are to my generous sponsors, Phra Arjan Sink Narinto Saenktawnk, Phra Arjan Bank Vichayo Khamdai, Ms Lee Boonchuan and Mr. Lavich David, who were fully responsible for all the fees and expenses of this study, and my sincere thanks to Arjan Chukiat Chakchaichon and his lady, kindly helped me to record and analyze the data collected from the questionnaires.

Thanks also are to the Dean of the Faculty of Humanities of Mahachulalongkornrajavidyalaya University and his first year students who completed the distributed questionnaires, and my sincere thanks also are to Assistant Professor Kittitouch Soontornwipast, Assistant Professor Vimolchaya Yanasugondha, all my instructors and teachers, and the staffs of the Language Institute, Thammasat University. Finally, thanks also are to all lovely TEFL 8 classmates through thick and thin until successfully completing this study.
