

## ACKNOWLEDGEMENTS

I would like to express my gratitude to those who helped me to complete this independent project. First of all, my deep gratitude is reserved for my mother and older brothers for their spiritual support through my studies.

I am also very grateful to Ajarn Wanna Charoenchang, my adviser for the independent project, for her academic guidance, generosity and support given to me from the beginning of my proposal until the completion of this research study.

Many thanks go to all the staff at Foster Wheeler Service (Thailand) Ltd. for filling in the questionnaires. Without their kind support, this research study could not have been possible.

Lastly, I want to express my appreciation to my friends for their help and advice.
