

ACKNOWLEDGEMENTS

This independent study could not have been completed without support from many people and institutions. First of all, I would like to express my sincere gratitude to my advisor, Ajarn Wanida Phankaeo, for her valuable guidance and helpful advice.

I also would like to thank all of the instructors and staff of the Language Institute, Thammasat University, for their sympathetic support and help. In addition, I would like to express my gratitude to my family for their love, affection and support, which they have extended at every step of my life.

Also, thanks to all my beloved friends for their many sacrifices.

Finally, I would like to thank all the participants for their good co-operation in providing useful information, which helped this study be successful.
